

Questionnaire

(English translation from German)

Intro

Thank you for taking time to participate in our survey on future technologies. This study is being conducted by the Lucerne University of Applied Sciences and Arts. There are no right or wrong answers in this questionnaire. No prior knowledge is required. We are interested in your personal impressions. Your responses will be treated confidentially and analysed anonymously. No conclusions can be drawn about you personally. By starting the survey, you agree to the conditions of participation. We thank you for your support.

Holiday planning with the family – two short scenarios

Imagine the following situation: Together with your family – two adults, two children (aged 9 and 6) – you would like to spend a week in the Italian-speaking part of Switzerland. Preferably in a family-friendly hotel in Ascona with a nice pool, childcare and a small wellness offering for adults. If all this is right, you would be willing to pay up to CHF 400.– per night.

As you browse through various booking portals, an advert catches your eye.

In this section, we would like to ask you to take your time to look at the offer. Afterwards, we ask you to share your impressions of the offer.

Introduction:

Imagine you are planning a week-long holiday in Italian-speaking Switzerland and are looking for a family-friendly hotel in Ascona. Your family consists of two adults and two children aged 9 and 6. You also want the hotel to have a nice swimming pool, childcare and a small wellness area for adults. If you find an offer that meets these criteria, you would be willing to pay a maximum of CHF 400 per night.

Hotel "La Famiglia"

Features

- Family rooms (max. 5 persons)
- 2 pools (relaxation area and children's pool including splash park)
- Kids Club (9 a.m. to 5 p.m.)
- Price: 350 CHF per night

Reviews

Marita Beck: ★★★★★
Perfect family hotel! Kids Club is great, pool area is superb. Only downside: parking spaces are limited.

Lara Fink: ★★★★★
Nice rooms, friendly staff. The breakfast could have been more varied. The children's pool was often overcrowded.

Hence Kurt: ★★★★★
The rooms are a bit dated and the walls are somewhat thin. Otherwise, it's great. The pool area is fantastic for children!

Hence Wulf: ★★★★★
The hotel's location is excellent and the rooms are beautifully furnished and spacious. Delicious breakfast. Very family-friendly.

 Verified by blockchain means that it is ensured that the authors of the message are real people who have actually visited the hotel in question.

During your stay in Ascona, you would also like to meet up with a friendly couple who are holidaying there at the same time. Your children prefer to spend the afternoon in the hotel's childcare. Together with your friends, you consider whether you should book a guided tour through the old town and along Lake Maggiore. Since you are all art-loving foodies, the tour should highlight the local art scene and allow you to explore various Ticino specialties. The tour should last a maximum of 4 hours and cost a maximum of CHF 50.- per person.

Again: Take your time to look at the offer and then share your assessment with us.

Blockchain in Swiss Tourism: An Investigation into the Acceptance of Blockchain-Based Offers

The scenarios you have just seen regarding your holiday booking were fictitious. Now we would like to find out a little more about your actual personal attitudes and preferences in tourism.

When answering the following questions, think generally about all holidays that you consider typical for yourself or that you normally spend.

Which of the following statements best applies to you when you think of your typical holidays? Where is the focus for you in typical holidays? (Single choice)

- ☐ I want to enjoy the finer things in life, like high-standard accommodation, exclusive restaurants, exquisite events, cultural experiences or shopping.
- ☐ Above all, I want to relax and take time out from everyday life.
- ☐ I want to strengthen the bond with my travel companion - my children and / or my loved ones - and enable them with enriching experiences.
- ☐ I want to see the most important sights in the world.
- ☐ I want to discover new places where I have never been before. I actively seek out destinations and activities far off the beaten track. Exciting experiences are in the foreground for me.
- ☐ I want to be active in sports during my holidays. My sporting activities have a strongly influence the planning of my holiday in terms of destination, choice of travel companions, itinerary, etc.

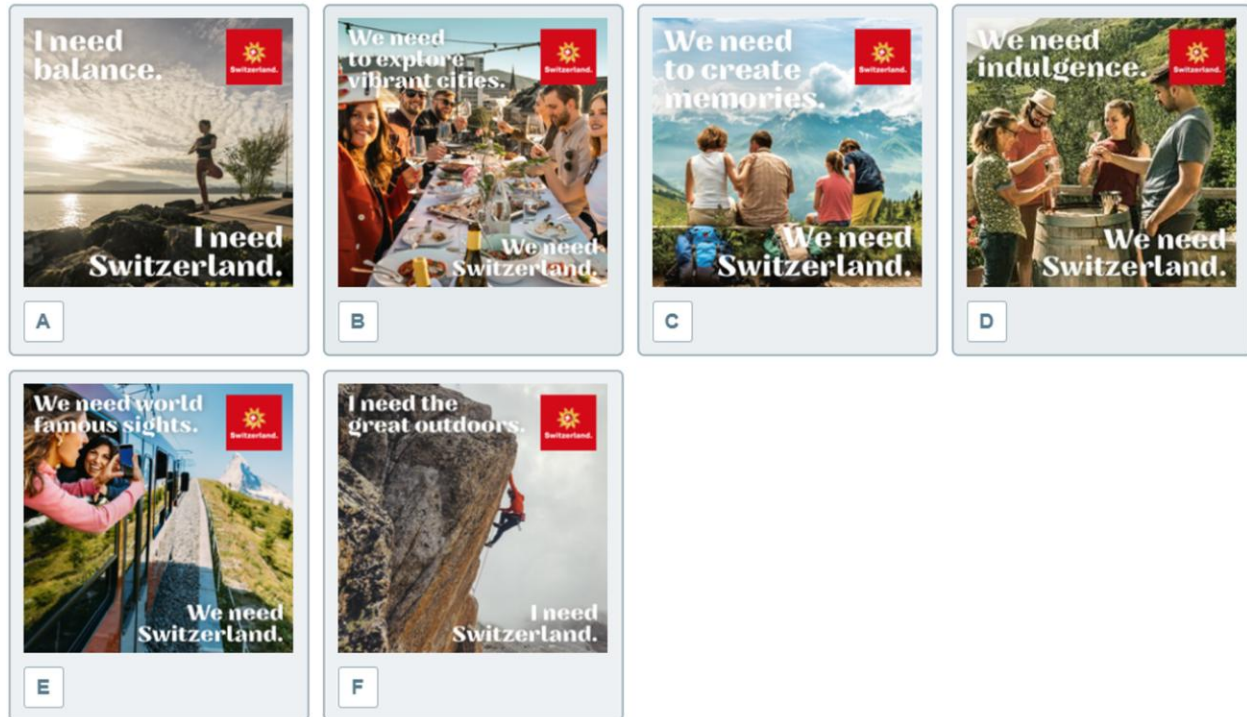

Which of the following aspects is most important to you on holidays/holiday trips that are typical for you? (Single choice)

- ☐ Exclusive experiences such as superior accommodation, selected events, gourmet food.
- ☐ Recovering, relaxing and taking a break from everyday life.
- ☐ Authentic experiences like getting to know the traditions, lifestyles, cultural and culinary customs of a country.
- ☐ Spending time in nature and enjoying nature.
- ☐ Strengthening the bond with family, partner or friends.
- ☐ Seeing as much as possible, experiencing different things.

Which of the following aspects is most important to you on holidays/holiday trips that are typical for you? (Single choice)

- ☐ Providing enriching experiences to my children and/or relatives.
- ☐ Engaging in (intensive) sport like hiking, cycling or skiing.
- ☐ Discovering new places and cultures that I have not visited before.
- ☐ Letting myself be pampered, enjoying the good things in life.
- ☐ Shopping.
- ☐ Seeing the top sights.

Which of these adverts for holidays in Switzerland appeals to you the most?

Conclusion: Socio-demographics

Lastly, a few questions about yourself:

- Questions according to DEMOSCOPE standard
- Highest completed level of education
- Type of private household [HHGR_TYP]
- Marital status
- Age / Gender / Postcode
